Mission & Vision Statement

Mission:

Education rooted in nature to inspire in our students a deeper connection to the community around them.

Vision:

Every child is given the opportunity to learn about their world through daily access to extended time in nature. Quality educators facilitate an emergent curriculum that reflects the needs of the whole child and meets the demands of the world in which we live.

Our Programs

Kindergarten Program- JK/SK (3.8 years *up to* 6 years). Our two year nature-based Full-time and Part-time Kindergarten program offers an enriched learning experience during the most formidable years of a child's life. *Your child must be 3.8 years by December 31st, 2020 to participate for the 2020/2021 school year.*

Grade One/Two- Our nature inspired program balances Forest School and Ontario curriculum, providing students with the foundation they need to foster a love of learning, an appreciation for the natural environment, and a connection to the world around them.

*Look deep into **nature**, and then you will understand everything better.
- Albert Einstein*

Our innovative teachers are registered Early Childhood Educators, Certified Ontario Teachers, Environmental Educators, Forest School Practitioners, or qualified in their field. We are dedicated to delivering high quality experiences through the application of Forest School and Ontario Curriculum. This offers a balanced learning approach through a mix of hands-on teacher led and child directed opportunities.

Our days vary throughout the week with two mornings (Mon/Wed) and one full day (Fri) immersed in Nature. During our time in the Forest, teacher directed science workshops are offered, which are guided by place based learning. Free play is an important aspect of our program and children are given time each day to explore and engage freely (in the Forest and at our home base). Throughout the week, teacher one-on-ones and mini-workshops including music & drama, foreign languages, geography, history, health & wellness, art and S.T.E.A.M are offered. We regularly have experts from our community join us to share their skills and inspire us with new experiences. We value being connected to our community and encourage parent participation and volunteers to join us in our programs (*please note that considerations for volunteers are guided by public health while COVID restrictions are in place*).

Please see a sample of our daily schedule below:

		Monday	Tuesday	Wednesday	Thursday	Friday
Period 1	9:00-9:45	Walk to Forest/ Morning Circle	Morning Circle/ Free Play	Walk to Forest/ Morning Circle	Morning Circle/ Free Play	Walk to Forest/ Morning Circle
Snack & Free play	9:45-10:30	Snack & Free Play	Snack & Free Play	Snack & Free Play	Snack & Free Play	Snack & Free Play
Period 2	10:30-11:15	Science group lesson	Group Language	Science group lesson	Group Language	Group skill lesson
Period 3	11:15-12:00	Free play	Language Workshop	Free play	Language Workshop	Free play
Lunch	12:00-12:45	Transition to school	Lunch	Transition to school	Lunch	Lunch
Period 4	12:45-1:30	Free play	Health & Wellness	Free play	Geography & Social Studies	Free play
Period 5	1:30-2:15	French	Math Group Lesson	Art	Math Group Lesson	S.T.E.A.M
Period 6	2:15-3:00	Music	Math Workshop		Math Workshop	S.T.E.A.M
Snack & Free play	3:00-3:45	Snack & Free Play	Snack & Free Play	Snack & Free Play	Snack & Free Play	Transition to School, Snack & Free Play
Home	3:45-4:15	Group games	Group games	Group games	Group games	Group games

Kindergarteners and Grade 1/2's have separate Math and English lessons/ workshops

We offer small class ratios (1:10) which allows us to not only apply the Ontario Curriculum, but connect our learning to the world around us in an authentic way. What makes our program exemplary is our fluid approach to curriculum which allows us to tailor our weekly focus in line with the child's interest, real life happenings, and development level. We offer self-directed outdoor play opportunities that encourage positive social competence and emotional intelligence, problem solving and executive

functioning skills, as well as autonomy. Our Teacher directed sessions follow curriculum expectations and offer preparedness for deeper exploration in their surroundings.

A minimum of 3 hours per day is spent outside, unless dangerous weather prevents us. This integration with nature allows children to build resilience and self preservation as they navigate how to keep themselves comfortable and safe in the changing environment. Our indoor classrooms are set up to utilize and encourage the use of natural materials and tools for investigation (microscopes, computers), and to bring the outside indoors through intentional provocations that build on their current skills.

Our day begins at 9:00am and ends at 4:00pm. Before and after-school care is available.

School Year Calendar

Fall term- September 7th, 2021 to December 17th, 2021

Winter term- January 3rd, 2022 to March 11th, 2022

Spring term- March 21st, 2022 to June 24th, 2022

Holidays:

- *October 11 (Thanksgiving), school closed*
- *December 20-December 31 (Christmas break) school closed*
- *February 21 (Family day), school closed*
- *March 14-18 (March break), school closed*
- *April 15 (Good Friday), school closed*
- *April 18 (Easter Monday), school closed*
- *May 23 (Victoria Day), school closed*

Extended Care

- Our Full-day program runs from **9:00am** to **4:00pm**.
- Before care is available starting at **8:00am** and our after care is available until **5:00pm**. Please register at the beginning of the year if you will consistently need extended care. The fees will automatically be applied to your monthly invoices. No refunds will be granted for missed days. Refunds will not be applied retroactively if extended care is cancelled for the remainder of the year.

Before care(registered)- \$7/ day
After care (registered)- \$7/day

Drop in before care- \$12/day
Drop in after care- \$12/day

Drop In /Late Pick Up Fees

If you have not registered for before/after care at the beginning of the year, and drop off before 8:45 and/or pick up after 4:15, you may be charged for the drop in fee on the subsequent months invoice.

2021/2022 Tuition Rates

Full-time- \$1140/month
Part-time(2 days)- \$456/month

We are happy to offer a 10% sibling discount on all of our programs.

A deposit of \$300.00 is required to secure your spot in our program. The amount of the deposit will be credited on your last invoice with Greenbelt Academy.

Payment Plan Options

Monthly plan- Payment for the upcoming month is due on the 1st of each month. Your monthly statement will be calculated based on the average number of days attended per month - this means your monthly statement will be the same every month.

Yearly plan - Payment for the entire upcoming school year is due on September 6, 2021.

Program	Monthly	Yearly
Full-time	\$1,140	\$11,400
Part-time: (Mon, Wed,)	2 days/wk- \$456	\$4,560

What to Bring to Nature School

Children should be ready, upon arrival each day, for outdoor time. We are a rain or shine program and operate on the belief that *there is no such thing as bad weather, only bad clothing*. During inclement weather, we take all precautions to ensure the safety and comfort of our students, which means that we will run our nature based program inside when necessary. Please ensure that students have appropriate dress for the weather and please send extra clothing. Please take a look at our checklist below to ensure your child is prepared:

Program Item Checklist- Daily

	Indoor shoes
	Water bottle
	Lunch and two snacks- Please make these litterless if possible.
	Sunscreen/insect repellent (Fall & Spring)
	Spare change of clothes (pants/shirt/socks/underwear) **Labeled**
	Outdoor hat (Fall/Spring)
	Rain boots or snow boots- We recommend that all items be waterproof.
	Waterproof rain jacket or Winter jacket
	Waterproof rain pants or snow pants
	Winter accessories (waterproof gloves, warm hat, neck warmer,) - We recommend that you provide an extra pair of waterproof gloves and an extra winter hat. Please see tips for dressing below.

Please label ALL of your children's items. Children may store extra clothing at the school. Wet/soiled clothing will be sent home in your child's backpack. Please check daily to ensure that extra items are replaced.

Tips for dressing your child appropriately for the Winter weather:

For cold weather please consider the following factors when dressing for school:

1) Insulation: Natural fabrics such as wool or silk work well as an inner layer, as does fleece. Polyester pyjamas are another good option. The key for this layer is to wick moisture away from the skin and insulate it with a breathable layer.

2) Middle Layer: This is another insulation layer that creates 'dead-air space' between skin and the elements. This airspace helps in keeping warm. Wool sweaters (Merino wool is exceptionally warm and soft on sensitive skin) and fleece tend to work well.

3) Outer Shell: This layer should be waterproof and windproof, as well as breathable.

A note to parents/caregivers:

It's not necessary to invest in expensive brand names to keep your child warm. Thrift stores are great places to look for children's wool clothing at cheaper prices. If you are looking for a regular store to purchase outdoor clothing, Mountain Equipment Coop (MEC) has excellent children's outdoor wear for all seasons.

In terms of boots, we recommend purchasing boots that are one size larger than your child's foot. Again, this creates dead-air space to assist in insulation. Socks help to wick moisture away from the skin, (please note: cotton tends to sweat and doesn't do a great job at wicking moisture). The best foot insulator would be two pairs of wool socks with waterproof boots that have wiggle room.

For warmer weather we ask that your child has a light cotton/silk/hemp long sleeve shirt on for the day. Children are encouraged to wear a hat at all times. Children will be encouraged to stay hydrated for both cold and warm weather as this will assist in regulating body temperatures.

Outdoor Safety

Teachers and volunteers are provided with and adhere to strict safety training, policies and procedures. These measures create an environment and culture that takes safety seriously and uses a proactive approach to Risk Management. Students and teachers actively play a role in personal and group safety.

Our safety principles include:

- Constantly assess risk as conditions change (dynamic risk assessment).
- Set up a safe space with boundaries and safety guidelines reviewed each day.
- Observe the children's interactions with each other and with nature and guide them as needed.
- Spot the children during more challenging physical activity.
- Guide the children to skills level appropriate activities when required.
- Head counts will be carried out every 10 minutes and before and after transitions to different sites.
- Two way communication will be maintained by teachers and supervisory staff by way of two way radios and cell phones at all times.
- In depth forest and site safety checks completed seasonally.
- Daily forest and site safety checks completed before participants enter onsite or offsite environments.
- Weather and environmental safety including- teaching students about hydration, application of sunscreen and insect repellent, changing of wet clothes, as well as noticing the changes in the weather and how to stay safe.
- Educating students on safe water ways practices; such as safety equipment needed, and guidelines for safe water way play.

If at any time we feel that the children's play is becoming dangerous, we will redirect the children and discuss how we can change our play to keep ourselves safe.

If your child gets a bump, scratch, or a bruise, we will provide necessary first aid and let you know at the end of the session.

Accident/ Serious Occurrence Procedure

Any injury to a child which occurs while participating in school services, this could include, but not be limited to the following:

- unconsciousness
- fracture of a bone
- stitches
- loss of a tooth
- concussion

The staff will immediately assess the situation and use appropriate first aid treatment, or seek emergency medical attention if needed. Our qualified staff will contact the parent

or emergency contact if required by phone. Where immediate emergency medical attention is needed a staff member will call an ambulance. If a parent or guardian has not arrived, a staff member will accompany the child to hospital and remain with the child until a parent/guardian arrives.

In the event of an evacuation/ emergency:

- All classes will meet in the rear preschool playground by the fence.

Alternative shelter/ pick up:

- Centennial Park Baptist Church- 11 Kennedy Rd, Grimsby, ON L3M 1E8

Communication

It is important to us that Parents/Guardians have the opportunity to be aware of and involved in their child's education with Greenbelt Academy.

Parents will regularly receive photos and documentation of their child's day through our Storypark application. We also use Storypark to communicate updates and program information. We recommend that parents/guardians check it regularly. *If you are not already connected to Storypark, your child's teacher will send you an email with the details to join at the beginning of the school year.*

Meetings between parents and teachers can be scheduled throughout the school year at the request of educator or parent. Please contact Jaclyn, our Director of Operations, and she will set up a time for you to meet with your child's teacher.
