MARCH 2026

Message From Directors

March is upon us! As we say goodbye to the chilled days and quiet mornings, we look ahead to the frequent birdsongs and early blooms making their way to the surface.

Spring is the season to focus on growth and renewal, and we cannot wait to explore the new offerings awaiting for us in the forest.

With appreciation,
Tiffany, Jackie and Joelle

IMPORTANT DATES

World Discovery Day

China: People, food, music, animals!

March Break

Centre closed.

Fun Day! Dress Like March

A mix of winter & spring.

Think winter weather & flowery hat or scarf & sandals. Have fun with it!

First Day of Spring

Community Day

Maple Syrup! We will learn about how maple syrup is made and used through hands on activities and of course we'll have a taste.

Senior Kindergarten

At the Pumphouse.

SEPTEMBER 2026 ENROLLMENT FOR NEW STUDENTS

Priority is given to current families when spots open up. Let us know if you have children that are waiting to get into the program. We will have 8 spots in the Toddler Program for September 2026.

EXTRA BAG FOR WET CLOTHING

With the changes in the weather and wet days ahead, we are asking all families to pack either a large reusable bag (you can get one at the Dollarstore) or a garbage bag of your choice in your child's green bag. This will be used for their wet clothes, and will help the centre reduce the amount of plastic bags sent home each day.

SUMMER CAMP

REGISTRATION

Camp registration for current Greenbelt Academy families opens on March 9. We will send an email that morning with the link for registration. Please note that this early registration is **ONLY** for current families with students enrolled in our toddler, preschool, or kindergarten programs.

Public registration opens on March 23rd, so don't wait if you would like your child to have a spot.

As a reminder, the preschool programs (Seeds, Roots 1 & Roots 2) continue into the summer months.

Our Summer Camps are for children aged 4-10 years.

Our pre-teen week (ages 11-14) will be held on August 4th to 7th at the Elizabeth St. Pumphouse.

DRESSING FOR

WINTER

As the weather continues to remain cold, we need to make sure that all our students are dressed appropriately to help us extend our time outdoors. Please find the link to our Dressing for Winter Guide below
